Siena LAVAGNA

"young and strong" The choice to combine the big and small sizes to diversify the spaces of a former industrial building.

FROM THE HILLS OF CHIANTI OUR JOURNEY BEGINS TO DISCOVER A BEAUTY MARKED BY THE INDELIBLE TRACKS OF TIME. OUR CHALLENGE HAS BEEN TO CREATE A COLLECTION ABLE TO ENCOMPASS THESE DETAILS. **SIENA** HAS THE STRONG SOUL OF A STONEWARE AND THE SURFACE CHARACTERIZED BY SELECT ELEMENTS. THE 8"X8" SIZE MANIFESTS THE SUBSTANCE OF THIS MATERIAL SURFACE.

Siena COCCIO

The balance of the nuances provides a harmonious movement of the floor enhanced by the light structure of the rectified sizes. The turtle color has been selected for hospitality areas of very high level.
